Verse 1:

hhhhmmmm Reminiscing on the woman im missing
she passed in 2000
and im still trying to do ittt
kills me everynight till i have her by my side
her voice plays in my head i remember when she first
said
i think that im pregnant (Why?)
cause i missed my period
so i went and bought her tests and it came back
positive

Chorus:

Ohhh im missing her
there aint a second i dont think about her (ohhhh
noooo)
she should of been the mother of my child (she should
beee)
then she answered to the poem and shes resting now
baby your happy

Verse 2:

she started having cravings at night in the mornings
getting mad at a time how we do it to me sure shes
alright
in and out of los mosclass
he told her breathe slow and not fast
told me to hold her hand and to be her guide through
this
later her water broke we had to rush to the hospital
they said miles leave the room cause were having
complications

Chorus:

ohhh im missing her
there aint a second i dont think about her (ohhhh)
she should of been the mother of my child
(she should have been the mother of my child)

then she answered to the poem and shes resting now
baby your happy

Verse 3:

im waiting ive waited and anticipated
whats going on in there why am i out here
doctor came out
looked at me and said miles we lost her im sorry
and thats when i brookke downnnn

Chorus:

Ohhh im missing her (said im missing her)
there aint a second i dont think about her (i dont think
about her)
she should of been the mother of my child
(she should of been the mother of my child)
then she answered to the poem and shes resting now
baby your happy
