Sekai de ichiban kagayakeru made

Ichinichi, mainichi wo tanoshiku ikite
Totsuzen umarekuru setsuna no fuan

2000 nen mondai yori... no no sore ijou ni juudai no
koto jibun no yume

Sekai de ichiban kagayakитай omoi wa number one star
Kono sora no naka de

Wasurecha ikenai ne jibun no kachikan
Yuzurenai toki mamoru yuuki wo kudasai

"Me wo ubau kurai hayai supiido no ryuukou ni wa
nosereareta kunai"

Sekai de ichiban kagayakитай daremo ga number one
star
Sorezore ni aru
Kimi no chikara ga iki hisomete matteru only one!
Hayaku kizuitette

Sabishii ne hitori wa oshare datte iranai

Sekai de ichiban kagayakитай omoi wa number one star
Raibaru ja nakute
Sekai de minna kagayakeru no wa minna iru kara
Nanika ni hi wo tsukerarete
Shigekiteki sonna nichijou ga subete wo kaeru
Kagayakeyo number one star
