Colt Ford

Answer to no one

Let me tell ya lil story bout how I raised

Everyday work, everyday pray

God, family, friends Ya, everybody sins

A winner never quits and a quitter never wins

Help folks in need, don't fall for greed

A jealous man is weak, so think before you speak

If you love em let em know, if you hate let em go

Fast can be fun, but sometimes you need slow

God is all good, the Devil is so real

So listen up y'all cuz this is how I feel

I won't back up, I don't back down

I been raised up to stand my ground

Take my job, but not my guns

Tax my check till I ain't got none

Cept for the good lord up above

I answer to no one

See I'm a flag flying bible totin son of a gun

Yeah, I'm hell on the heart and a rebel on the run

Scared? Don't know it, Fear? Don't feel it

The truth is the light, sometimes you gotta fight

Good beats bad, right beats wrong

Imma ball room preacher and this is my song

I'm climbing for the top, representin for the country

I'm the people's champ right out the deer camp

Shotgun toter, republican voter

Hank Jr supporter, let's protect our boarder

To hell with anyone who don't believe in the USA

Cuz this is what I say

I won't back up, I don't back down

I been raised up to stand my ground

Take my job, but not my guns

Tax my check till I ain't got none

Except for the good lord up above

I answer to no one

Give me my right to vote, my right to tote

the weapon of choice, don't sensor my voice

Hate me if you want, or love me if you can  
If the truth is what you want than you found your man  
I ain't backin down, I ain't backin up  
If ya think like I think, than crank it on up

I won't back up, I don't back down  
I been raised up to stand my ground  
Take my job, but not my guns  
Tax my check till I ain't got none  
Cept for the good lord up above  
I answer to no one  
I answer to no one son
