Buck 'em!

[Chorus]

I put my life on the line  
8 seconds at a time  
In it for the money baby  
And strictly the shine  
I'm gold buckles, white knuckles  
Even when I'm hurt  
And I'ma cowboy up til I'm under the dirt

I been stomped and throwed,  
I been bucked and banged,  
But I'm a cowboy baby so it ain't no thang  
Got on my chaps and boots  
Climb up in the chutes  
Nod my head and I'm gone  
Ride 'em all night long!

I'ma nod and hold on til the day that I'm gone  
Got on my Wrangler jeans with the Copenhagen ring  
Boots by Rocky, damn right I'm cocky  
Built Ford tough, ain't nothin' can stop me  
So, ice the Bud Light, nod at the gate man  
Down in the well or away from my hand  
I'ma ride who I draw, for night moves to big bucks  
Call (?) say that, tell 'em bring in the big trucks

I need help to carry all this cash  
96 and a half on scene at the crash  
Fire up the grill tell Johnsonville  
Put some Brats on, we party all night long  
It's Las Vegas baby, where the players play  
PBR, VIP up in Mandalay Bay

Yeah I'm a cowboy, yeah I'm a roughneck  
I wear Mossy Oak, I hunt with Bowtech  
I read your ?Prefert?, got me a Branson  
A big tractor, fear is no factor  
Call me on ED mobile 'cause I'm nationwide  
It's the PBR baby, one hell of a ride!

[Chorus]

I put my life on the line  
8 seconds at a time  
In it for the money baby  
And strictly the shine  
I'm gold buckles, white knuckles  
Even when I'm hurt  
And I'ma cowboy up til I'm under the dirt

I been stomped and throwed,  
I been bucked and banged,  
But I'm a cowboy baby so it ain't no thang  
Got on my chaps and boots  
Climb up in the chutes  
Nod my head and I'm gone  
Ride 'em all night long!

The toughest sport on dirt  
My middle name is Hurt, but still I  
Rosin my glove, rodeo is my love  
Drawin' neon nights and just a dream is fine  
Spurin' for 8 seconds all that's on my mind  
Gettin' hung up and hooked  
That's just part of the deal  
We got them dicky bull fighters and they harder than  
steel

This's as real as it gets  
I pray nothin' will harm me  
That's why we teamed up with the US Army  
Call Enterprise if you needin' a ride  
PBR Now.com will get you inside  
So you can see the greatest show on dirt  
Put your Stetson on, get your Cripple Creek Shirt  
This's as real as it gets  
They need a Rod Smith  
Greg Crabtree from all the PBR  
You the star that's still gon' shine  
And every night this cowboy's gon' lay it on the line

[Chorus]

I put my life on the line  
8 seconds at a time  
In it for the money baby  
And strictly the shine  
I'm gold buckles, white knuckles  
Even when I'm hurt  
And I'ma cowboy up til I'm under the dirt

I been stomped and throwed,

I been bucked and banged,  
But I'm a cowboy baby so it ain't no thang  
Got on my chaps and boots  
Climb up in the chutes  
Nod my head and I'm gone  
Ride 'em all night long!

This ain't no rodeo baby, this is the PBR  
Toughest sport on dirt  
I get Holst for the ride  
I go by the name Colt Ford

What's up to BMW Hitches, Big Tex Trailers,  
Fritos, my boys at Jack Daniels  
Humberto, Daisy, Cabella  
Don't forget about Yamaha

This is real men doin' cowboy thangs  
Colt Ford and the PBR  
We ain't never scared  
Say I won't!
