Yeah, they're dancing while intoxicated, DWI,
Coozie grippi' on my drink while I'm gripping on her
thigh
Back it in, jack it up, let me see you what you pushing,
Boddy work looking good, and that seat got that
cushion.

Ladies, put it in reverse. Fellas, put it in drive,
10& 2 on her hips and let that thang collide.
Ladies, put it in reverse. Fellas, put it in drive,
10& 2 on her hips and let that thang collide.

Bounce, shaking, moving, girl, let me see if you can do
it.

Take it to the flow and prove that the large you go I
knew it.

Just like Taylor, I'm Swift, baby, and I ain't mean it's a
gift, baby.

This is my kind of party and I don't want this night to
end.

I'm a cowboy Casanova, just come on over and bring
your friends,

I'll be your honey bee, 'cause, girl, I think that I need
you now.

So shake that thing, 'cause I'm in the zone, what I think
about is get you home.

My Lord, imma duck it down, some moon shine and
honkey songs.

Country buzz be country wise, come on, girl, just let me
ride.

I hear them voices talking, they're saying shake it,
honey.

There's a bare foot blue jeans knight and I got that lot
of money

That lot of money, lot of money.

Yeah, they're dancing while intoxicated, DWI,
Coozie grippi' on my drink while I'm gripping on her
thigh
Back it in, jack it up, let me see you what you pushing,

It's getting real, really hot here, ass, tits is bouncing
and we like cold beer
Switch it back up, girl, shake the rear. Now plan the
dance floor like an old John Deer.
Ride it in the club, let the game down tight, got two
bunch of hotties, wanna do it all night.
All night, that's right, so turn on them lights. It's the
wild wide west.
Don't need to be peak, cause the own depart, two shot
at crown, let's take it to the car.
Got the camera phone out like the video stores, going
hard.
Drop it, spin it, the dance floor is yours, kick it.
Got a drink in my hand and I don't care what they're
saying,
Gonna make that booty bounce, bounce, bounce
Gonna make that booty bounce, bounce, bounce.

Yeah, they're dancing while intoxicated, DWI,

Okay, shots, shots, shots.
Kick it, falls, remember it, drops, drops, drops.
Go get it, country really, hot, hot, hot.
Wanna see you on the floor, let me show you what
we've got.
