Hey ya'll
Hey ya'll
Hey ya'll
Hey ya'll

Come on
Saddle up lets go
Laying it down like Mexico
Who needs a beach got a cold creek
Son you can bet ya its the country Feista

Hey ya'll Lets ride
Party going on on the riverside Â
hey ya'll jump in
Let your hair down go off the deep in
Cold beer hot things nothin but a chicken wing
Dixie girls screaming with that southern draw
Hey Ya'll

Cut off thats right
Suger so sweet the chickens won't bite
Whole lot of Â hay can't no who to stand
Raising our cups up sipping on some punch punch

Hey Ya'll Lets ride
party going on on the riverside Â

hey ya'll jump in
Let your hair down go off the deep in
Cold beer hot things nothin but a chicken wing
Dixie girls screaming with that southern draw
Hey Ya'll

Rope swing, Trout lines
Catfish, Cornbread, Cold Coors light
Bon Fires, Lawn chairs
Raise a lot of hell hell we just don't care

Hey Ya'll Lets ride
Party going on on the riverside Â
hey ya'll jump in

Let your hair down go off the deep in
Cold beer hot things nothin but a chicken wing
Dixie girls screaming with that southern draw
Hey Ya'll
Hey Ya'll

Hey Ya'll
Hey Ya'll
Hey Ya'll
Hey Ya'll
