### "Hip Hop In A Honky Tonk"

Red light, friday night, hittin' the town,  
I had some George Strait crankin with the windows  
down, til this escalade,  
Thumpin' bass, drowneded him out he was rattlin his  
rims and shakin the ground, oh hawh

I put my foot on the gas I didnt have to go far,  
I found this funky little steel and fiddle redneck bar,  
the band was in the  
Middle of "your cheatin heart", I bought a bag of tater  
chips and a PBR.  
Settled down on a stool plannin on stayin, but when  
they took a break the DJ started playin...

Hip Hop in a Honkytonk, wait a minute hold the phone  
somethin's wrong  
I came in here to hear a country song, not hip hop in a  
honkytonk

Now what do you think ole hank would say, it'd kill em if  
he still was alive today,  
I bet money that hes rollin over in his grave, cuz hank  
sure as hell didnt do it that way

Hip hop in a honkytonk, ill give you twenty bucks in you  
turn that shit off,  
You ask me it oughta be outlawed, hip hop in a  
honkytonk

When all of a sudden every girl in the club, got on the  
floor startin shakin her butt,  
It was packed, it was stacked from the front to the  
back, this cowboy ain't seen nothing like that

Hip hop in a honkytonk, they were dancin like strippers  
but they kept their clothes on,  
I'm starin to think that I might been wrong about hip  
hop in a honkytonk  
Cuz when they move like that ill watch em all night  
long, hip hop in a honkytonk,

I gotta admit I'm havin second thoughts about hip hop  
in a honkytonk,  
I came in here to hear a country song, but I'm diggin  
hip hop in a honkytonk
