In her pinstriped suit she's so sophisticated she can't
help it her diploma got her makin 200k while she's
cruising in a jet black benz she can sip expensive wine
and nibble cheese on a cracker in a pair of heels she
climbs that corporate ladder but those go out the
window but those go out the window on the weekend

[Chorus:]

That's when she drives barefeet likes to eat chicken
with her fingers catch her down at wallys bar she's
quiet the country singer she'll go cat fishing skinny
dipping at the drop of a cowboy hat she ain't too good
for that

In a Monday morning meeting she smokes the
competition she's been known to dig an art exhibition
Bethoven polo and now and then a good horse race
she'll turn the nasdaq into cash like she's a magician
knows politics better than a politician but she'd rather
talk baseball anyday wanna play

[Repeat Chorus:]

She can say isn't or she can say ain't you can tell her
she can but don't tell her she can't

[Repeat Chorus:]
