We bought to back it on up in the parkin' lot
Got the beer on ice and the grill is hot
On your mark, get set, baby, ready or not
We gonna get some

We got ribs and things, chicken and bake beans
Plates of Styrofoam, we came to get it on
Days like the dark, where ever you all park
Just get some 'cause everybody want some

Tailgate, if you came here to party
Well, baby don't worry if you can't wait, we bought to
get started
So you better hurry up before it's too late
So come on hun, this is gonna be fun
Let the pickup run, sit your buns on my tailgate

I seen a little hot tub that would fit bought ten
In the back of a jacked up Chevy '10
Built a bonfire thirty foot in the air
Bought 30 thousand folks screamin' hell, yeah

We got the easy ups and the lawn chairs down
Long legged girls walkin' around with them daisy
dukes on and
Red lipstick sun tan lotion rubbin', I'm lovin' it

Tailgate, if you came here to party
Well, baby don't worry if you can't wait, we bought to
get started
So you better hurry up before it's too late
So come on hun, this is gonna be fun
Let the pickup run, sit your buns on my tailgate

Good Lord, this is how it was supposed to be
Rockin' tailgate party with friends and family
We got Jim, Jack, John and even Jose
All my roughty friends ready to play

We may get a little loud but we don't hurt no one
This is just our way of tryin' to have some fun
Rednecks thugs, geeks and bums

We got it goin' on, y'all always welcome to

Tailgate, if you came here to party
Well, baby don't worry if you can't wait, we bought to
get started
So you better hurry up before it's too late
So come on hun, this is gonna be fun
Let the pickup run, sit your buns on my tailgate
