Intro:

"Hey, I just wanna see you doin good"

Verse 1:

From the first day I met you
I knew u were special
U had a lot of drama but I used to protect u
Bein' u was naive, yo I could not let you
Doin' a lot of things so I had to correct u
I'm thinkin' if u just went left instead of
right
Right now what would ur life be like
And me u know I love the good life
And u I know u hate the hood life
I watch u as u turn and turn
And burn and burn
From all ur decisions
You could be a Christian, rich somewhere
But u ain't chose to listen so get somewhere
It's never to late til it's too late
Right now if u was with me you'd be
livin' in a new state
Ridin' around with new plates
Livin' in a new place
But you couldn't tell your crew wait"

Chrous:

"I wanna go back to the days
When you was lovin me
And i was lovin you
I wanna go
Cause i would do so many things
So differently
Maybe we and you would still be together
I wanna go back to the days"

Verse 2: You know I seen u on the beach,
Feet are rose petals
I tell u the truth but then u want to go settle
A girl like u is on another whole level
Try to move u out the hood but u scared to leave the
ghetto

I told u anything u say u can have it with me
I always spend a million on my fabrics
Established in lavish
I carried since the habit
I married, but that don't mean I want u
lookin' average
I thought u known that
Take u where ur zone at
Peeps, in the streets talkin' like they own that
I talk truth, but they only want facts
When you wanna do right, u know where ur homes at
I tell u wait on lennox
That means wait a minute
Bracelet tennis
Face it we finished
And just because ur not my girl
It Doesn't mean u alone in this world

Chorus:

"I wanna go back to the days
When you was lovin me
And i was lovin you
I wanna go
Cause i would do so many things
So differently
Maybe we and you would still be together
I wanna go back to the days"

"I'm in love with a girl named Twyla
I'm in love with a girl from Mississippi named Twyla
I'm in love with a girl named Twyla
I'm in love with a girl named Twyla Bepi (Twyla Bepi)
I said Twyla Bepi (Twyla Bepi)
I'm in love with a girl named Twyla
I'm in love with a girl from Mississippi named Twyla"

Chorus:

"I wanna go back to the days
When you was lovin me
And i was lovin you
I wanna go
Cause i would do so many things
So differently
Maybe we and you would still be together
I wanna go back to the days"

Outro:(Mase Ad-Libs in Background)

I'm in love with a girl from Mississippi named Twyla
I'm in love with a girl named Twyla
