[Mase]

Do that Puff Daddy shit, son!

Yeah, yeah, yeah,

Yeah, yeah, yeah, what, what, what...

ATL, Harlem World, ATL

ATL, Harlem World, ATL

112, Harlem World, 112

112, Harlem World, 112

Harlem World, ATL, 112

112, Harlem World, ATL

Yeah, kid you don't stop

We won't stop,

You don't stop,

Come on,

[112]

Baby whenever I'm with you,

No one else exists but you,

Cuz you're the one for me,

Every time that we're apart,

You're always in my heart,

And there you'll always be...

Baby don't go,

Your love's so special,

Can't let me go now,

If I did wrong,

I'm sorry,

No other love,

is for me...

[Chorus:]

Love me,

Hold me,

Squeeze me, (Love me, never let me go, baby)

Hug me,

Kiss me,

And love me (Love me, never let go)...

Whenever I'm on my way home,
Just can't wait to be alone,
With you my baby,
Anticipating how you'll feel,
Listen to me I'm for real,
When I say I love you...

Baby don't go,
Your love's so special,
Can't let me go now,
If I did wrong,
I'm sorry,
No other love,
is for me...

[Chorus]

[Mase]
Yeah ,yeah, yeah
What, what, what, come on
Yeah, kid
Harlem on the rise
With 112 and you don't want no problem with these
guys

Yo, you cats never want no problem like we want it,
When Harlem World doubled up,
We put G's on it,
I'm pushin' new 700 M.G.'s on it,
If that nigga can't see the ice,
That mean my sleeve's on it,
You know I dress as I'm suppose to,
Stretch Lex with a chauffeur,
Never sober, -acap
