(Intro)

Airing the laundry out, airing the laundry out, Airing the laundry out, so check my swag

(Mashonda)

You must think I'm a fool, creeping around till I saw you.

Lying to me saying that's not true.

You better believe me I'm through.

Took some time up to myself

Ungrateful fool, don't need no one else.

Can't believe chicks could be so weak.

Must have forgot I just had your seat.

(Chorus)

It's my time to (it's my time)

It's my time to shake it off

Airing the laundry out, airing the laundry out,

Airing the laundry out, airing the laundry out

The life that I've been living

This is for the women, it's a new beginning moving on

Airing the laundry out, airing the laundry out,

Airing the laundry out, airing the laundry out

The life that I've been living

This is for the women, it's a new beginning moving on

(Eve)

Ayo, we was all good when I used to play blind.

But my eyesight started coming back over time.

Got my mind right, focused on that new life line.

My new rule "erase all of you, I'm fine"

No time for discussion, no more f**king, no more pick up

All the g's done trusting.

DJs play this song you keep running it.

Now I'm on my own and I'm loving it.

Chorus: (Mashonda)

Airing the laundry out, airing the laundry out

Airing the laundry out, airing the laundry out

The life that I've been living

This is for the women, it's a new beginning moving on
Airing the laundry out, airing the laundry out,
Airing the laundry out, airing the laundry out
The life that I've been living
This is for the women, it's a new beginning moving on

(Mashonda)

I read all your emails and all your little details
The trips to brawls, the bags and all
But I'm sh*tting in between.
I'm flying solo now, holding my head to the sky
If you feeling this, ladies wave your hands like this

(Chorus)

It's my time to (it's my time)
It's my time to shake it off
Airing the laundry out, airing the laundry out,
Airing the laundry out, airing the laundry out
The life that I've been living
This is for the women, it's a new beginning moving on
Airing the laundry out, airing the laundry out,
Airing the laundry out, airing the laundry out
The life that I've been living
This is for the women, it's a new beginning moving on

(Ain't nothing but a hair flip)

(Eve)

Ha! So check out my swag.
That's right you can catch me in my brag
In fact I'm the best you ever had
But I haven't saved my last for the last.
(you digg)

Chorus: (Mashonda)

Airing the laundry out, airing the laundry out
Airing the laundry out, airing the laundry out
The life that I've been living
This is for the women, it's a new beginning moving on
Airing the laundry out, airing the laundry out,
Airing the laundry out, airing the laundry out
The life that I've been living
This is for the women, it's a new beginning moving on
Airing the laundry out, airing the laundry out,
Airing the laundry out, airing the laundry out

Airing the laundry out, airing the laundry out,
Airing the laundry out, airing the laundry out

This is for the women, it's a new beginning moving on
Airing the laundry out, airing the laundry out,

Airing the laundry out, airing the laundry out
