When I'm all alone 'cause you're not home
All I want you to do is listen, baby
You said you'd hold me down but you're never around
Can you please just listen, baby?

When I'm all alone 'cause you're not home
All I want you to do is listen, baby
You said you'd hold me down but you're never around
Can you please just listen, baby?

Sit back, relax, Joe Crack's back
Joe Crack's that nigga, you other niggaz love to hate on
Players keep showin' love, so players play on
What Crack's preachin' is chuuch, so niggaz pray on

Good heavens, had to wait for check seven
To adjust them fly dresses and high heel stilettos, yes
This vibe is perfect, I wonder
Maybe, that's why four's them Gods' perfect number

And you're all my angels
Victoria's Secret, [Incomprehensible] that's
[Incomprehensible]
Come on, get it together
My flight lands in a half an hour, we can do whatever

When I'm all alone 'cause you're not home
All I want you to do is listen, baby
You said you'd hold me down but you're never around
Can you please just listen, baby?

When I'm all alone 'cause you're not home
All I want you to do is listen, baby
You said you'd hold me down but you're never around
Can you please just listen, baby?

When you mad she's happy when she's sad, she's glad
She ecstatic to see me and she's better
Too much of y'all for me to keep happy
Still and all y'all keep callin' me daddy

I'm tryin' to change it, similar to Alaskan skies
Midnight look like the sunrise that means I
Ain't budgin', I'm still the same, same kisser
Same hugger, same Joe Crack, you love him

You do ma, admit it girl you trust him
To be back at that hotel suite crushin'
And you just in time to break me off
Before my hotel checkout time

When I'm all alone 'cause you're not home
All I want you to do is listen, baby
You said you'd hold me down but you're never around
Can you please just listen, baby?

When I'm all alone 'cause you're not home
All I want you to do is listen, baby
You said you'd hold me down but you're never around
Can you please just listen, baby?

Yo, I know ma, I see your vision
Fuckin' with me is like an all inclusive private island
vacation
Room service from the A.M. to the P.M.
All night crushin' this amazin' human being

Got you love struck, topic controversial
'Cause when I'm gone you're lost like that Corona
commercial
I know time is money still I can't reimburse you, girl
For what you wear that's the day I reverse you, girl

You get your nails painted proper, yeah
Pull out the black Amex, I'll take you shoppin'
But when it's time to go, I disappear like Coppa
I see you next time when I decide to pop up, I'm gone

When I'm all alone 'cause you're not home
All I want you to do is listen, baby
You said you'd hold me down but you're never around
Can you please just listen, baby?

When I'm all alone 'cause you're not home
All I want you to do is listen, baby
You said you'd hold me down but you're never around
Can you please just listen, baby?
