I can't wait until it's spring break again,  
So I can tell all my friends what they'll be missing.  
Get wet or go home,  
Get wet or go home (Yeah, that's what we'll be singing).  
I could sit here and talk about the salt of your skin,  
But I don't know what that is,  
And we don't talk about this.  
I left my confetti at home,  
But I've got plenty of hats.  
They said leave if I don't like that they're cutting a rug  
and asking questions later like 'How much in the cup?'  
She yells from across the room  
"Full Blast, if I'm not plastered  
I'm not gonna last another minute around Skyler."  
Let's all get wasted tonight.  
Bros, bros, bros, trust me, they're the ones that you  
know.  
And to really think we're alright,  
Alright just like a 12 story swan dive.  
That's my middle name.  
And all those times we wasted time with those you call  
friends.  
Garden States, Amelies, and Joe Black, I don't think  
we'll ever meet.  
So while you're breaking knees, I'll be bending  
backwards to see what you need.  
I wonder if you're doing this just to get by or if I'm the  
one getting shoved out of trees, I'm right?  
I can't do this.  
And almost laughing, we'll all be singing...  
"I'll stop acting, If you start thowing,  
I'll stop acting, If you start thowing,  
I'll stop acting, If you start thowing  
Gatsby over a mountain.  
"Let's all get wasted tonight.  
Bros, bros, bros, trust me, they're the ones that you  
know.  
And to really think we're alright, alright just like a 12  
story swan dive.  
That's my middle name.  
"I'll stop acting, If you start thowing,  
I'll stop acting, If you start thowing,

I'll stop acting, If you start thowing  
Gatsby over a mountain.  
I'll stop acting, If you start thowing,  
I'll stop acting, If you start thowing,  
I'll stop acting, If you start thowing  
Gatsby over a mountain..."  
Let's all get wasted tonight,  
Let's all get wasted tonight,  
Let's all get wasted tonight,  
Let's all get wasted tonight.
