-There we are
Oh oh oh oh oh oh oh oh. over oh. shrug those
Shoulders. we can show her thumbs up tonight. it's all
I'm
The knees. lighten up to my high beams. show us the
"v"
And I'll call you easy. easy come easy go. oh oh
.you you you you're great... but I've been known
To dine foreign.
-stop mumbling... I what? I can't hear what you're
Stuttering. I think I'll stutter too for something new(for
Something new, for something new) I'll get those two
hands
Off of you.
-our days have run long and your dress all too
Made out like bandits and I'm not gonna steal anymore
than
Runny eggs and whatever this is, so just keep quiet.I
Can't say anymore about this than let's just be honest.
-honest is a joke told at a price that couldnt be bought
So pack your bags you're all out of could you
Listen to brown eyes and the greatest sighs that I've
ever
Heard. youve lost your touch, I love supprises. friends
do
That to partners. how selfish?This selfish. ok youve won
And I promise I am selfish, wrong, right, worn, and
Sitting on your fence like there we are "hello say so
Long to your clothes and maybe this time we'll call it a
Night."
