I was born in a gold mine
You were born by the sea
Without nothing, we got something
Memphis, Tennessee, girl
Memphis, Tennessee

Rain outside my window
Rain inside my head
Loneliness inside my heart
Emptiness in my bed, girl
Emptiness in my bed

You've got the love
That I need
That I'm dreaming of

I was born to love you
You were born to resist
I would give everything I've got
To live inside your kiss, girl
To live inside your kiss

You've got the love
That I need
That I'm dreaming of

I was born in a gold mine
You were born by the sea
Without nothing we got nothing
Memphis, Tennessee, girl
Memphis, Tennessee

Memphis, Tennessee, girl
Memphis, Tennessee
