Hokey Joe Pony was a ramblin' man
Came to Louisiana with a Hockey Soo Band
Hokey was the rythmn section, well he cut a rug
And when he feelin' high he could double on a jug

Hush Momma hear the jug band blow-ow-ow
Hokey really smokie when he feelin' funky junky

Crazy zip finger was a fine fiddle man
Saw hot licks from Gatlinburg to Alabam'
Oh, Lord he could dance while he play
Playin violin just a jumpin all the way

Hush Momma hear the jug band blow-ow-ow
Crazy Zip could really rip while blowin pokey notions

Slimy Jim Creach was helping on guitar
Oh Lord playin slide bar

Hush Momma hear the jug band blow-ow-ow

It was down in New Orleans playin on the street
Hockey Soo boys got busted by the heat
Took em off to San Quentin
Man they feelin' rough
I'll be damned if they didn't play without the stuff

Hush Momma hear the jug band blow-ow-ow

And Hokie know's smokie when he says "you can still
play funky without it"
Skunky junkie

Hush Momma hear the jug band blow-ow-ow
Hush Momma hear the jug band blow-ow-ow
Hush Momma hear the jug band blow-ow-ow
Hush Momma hear the jug band blow-ow-ow
