Long time blues it's a hard way down

Sittin' by the window waitin' for the dawn  
Waitin' for a girl a long time gone  
Long time gone is a lonesome sound  
Long time blues is a hard way down

Long time blues, long time blues  
Long time blues it's a hard way down

Walkin' by the river, walkin' in the rain  
Down by the depot waitin' for the train  
Long time gone is the evenin' train  
Long time blues is an achin' pain

Long time blues, long time blues  
Long time blues it's an achin' pain

Listen to the sparrow singin' his song  
Listen for a voice a long time gone  
A long time gone is a silent song  
A long time blues keep a comin' on, comin' on

Sittin' by the window waitin' for the dawn  
Waitin' for a girl a long time gone  
Long time gone is a lonesome sound  
Long time blues is a hard way down

Long time blues, long time blues  
Long time blues it's a hard way down

Long time blues, long time blues  
Long time blues it's a hard way down
