So-so-so good
Yeah... yeah, yeah, yeah, whoa

Her name is Sophelia
And she is my fly
I call her Firecracker
And that's no lie

A real poppin' lady, yeah
So soft and so pretty
And when I get around her, yeah
I can't wait to be dirty, oh, mama sita

Burnin' up, burnin' up
Can't seem to get enough of you
Get enough, get enough
Firecracker

Burnin' up, burnin' up
Can't seem to get enough of you
Get enough, get enough
Firecracker

So-so-so good
Yeah, yeah, yeah, yeah...

I saw her in motion, yeah
And her smile is so fine (So fine, so fine, so fine)
Instant love potion, yeah
Just oozed through my mind (My mind, my mind, my mind)

I love to see her boogie, yeah, yeah
She two steps so fine
She's such a lovely lady, lady, lady
I'm so glad she's mine, oh, mama sita

Burnin' up, burnin' up
Can't seem to get enough of you
Get enough, get enough
Firecracker

Burnin' up, burnin' up
Can't seem to get enough of you
Get enough, get enough
Fire

Yeah... yeah, yeah, yeah, whoa

So-so-so good
So-so-so good

Burnin' up, burnin' up
Woo
Get enough, get enough
Yeah, yeah, yeah, yeah

Burnin' up, burnin' up
Can't seem to get enough of you
Get enough, get enough
Firecracker

Burning up, burning up
Can't seem to get enough of you
Get enough, get enough
Firecracker

Burning up, burning up
Can't seem to get enough of you
Get enough, get enough
Fire

So-so-so good
So-so-so good
Yeah

So-so-so good
So-so-so good
Yeah, yeah, yeah...

Firecracker come dance for me
I just like to see the way you move
Firecracker come dance for me
I just like to see the way you move

Firecracker come dance for me
I just like to see the way you move
Firecracker come dance for me
I just like to see the way you move, yeah
