Paroxysm of hatred / the horror of war
Men excel in fighting against on another
Genocide / destruction / is the art of war!
Absolute cruelty / wholeslaughter
War set men against one another / indoctrination
Starvation / miseries / concentration camps
Cremation / gas chambers / extermination
Harrassments / corporal punishments
Racial wars / persecution
Special trains / deportation
Final phase / execution
Collective fury / perpetual fate
Extreme barbary / atricious crimes
Animosty / uncontrolled rage
Total butchery / atricious crimes
Paroxysm of hatred / the horror of war
Men excel in fighting / against one another

Genocide / destruction / is the art of war!
Absolute cruelty / wholeslaughter
Bombardments / represal / mass executions
In war time men detest the future
They give free rein to their sadistic intentions
Potential murderers / aggressions
Torments / rapes / humiliation
Violent death / mutilation
Corpses / ruins / devastation
Collective fury / perpetual fate
Extreme barbary / atrocious crimes
