Unexpected invasion
People are the victims of looters
Dictatorial oppression
They're prey to predatory soldiers
Totalitarian government
Army of occupation
Territorial enslavement
In a word annexation
Sadistic oppressor
Spilled to extend his kingdom / Seas of blood
Beheaded or quartered

Insurgents are massacred
Martial law has been decreed
People are in a state of terror
Tyrannic dictator
He buries peace and freedom / Seas of blood
Dissidents are dying
Executed by shooting
