Patriots of Metal Land
Everybody who is headbenze
Lets sing together
Lets sing forever
The hymn of Metal Land

In the land of the victory
The "pela-sacos" is the minory
The steel, the glory
The fire, the money
This is the Metal Land

Republic of Metal Land

Metalic esporration
And good amplification
This is the Metal Land
The pussy is very good

Here in the Metal Land

The kings of the nation
Is the massacrations
Welcome to Metal Land
Destroy the false metal
Glorious Metal Land
