

Massacra "Ultimate Antichrist"

Visit "[Ultimate Antichrist](#)" on MotoLyrics.com

It's the end of christian faith
The advent of messiah
It's the start of satan's reign
The start of an evil era
After two thousand yours of lies
Death to the ecclesiastics
After two centuries of crimes
Death to all the catholicism
Mass executions / ultimate antichrist
Carnage
Crucifixations / ultimate antichrist
Pillage
This vile breath of trust
Has led men's lust
Annihilation
And renunciation
It's the price of lies
All clergymen must die
Global anarchy / ultimate antichrist
Decay
Total heresy / ultimate antichrist
Decline
It's the end of the christian faith
The advent of a messiah
It's the start of satan's reign
The start of an evil era
Blasphemy and depravity
Complete denial of christ
Infamy and debauchery
The ultimate antichrist
Gods of hate
Humanity won't live in peace for sure
And history is based on "war and hate"
The human race has a violent nature
That's why we relate

We are the violence
Which flows in your veins
We are the dark side
Of your conscience remains
We're the reflection
Of death on earth

We're the expression
Of hate and rebirth
The death incarnate
Massacra
The gods of hate
We are
We are the madness
Which controls your brain
We are the image
Of all your crimes
We're the reflection
Of death on earth
We're the expression
Of hate and rebirth
The death incarnate
Massacra
The gods of hate
We are
You've yielded to temptation the evil
Now "peace and love" is just a utopia
It's hell on earth and each man is the devil
That's why we are massacra
The death incarnate
Massacra
The gods of hate
We are
