FAR AWAY, BLOODSTAINED BANNERS OF DEATH  
IRON, LEATHER, AROUND WARRIORS  
THE STAE OF SIEGE'S GONNA BE DECLARE  
SPREADING PANIC, IT'S A NIGHTMARE  
SWORDS GLEAM IN THE SUN  
WE'VE GOT NO PLACE TO TURN

MURDEROUS KNIGHTS, RESOLUTE BESIEGERS  
FORTIFIED CASTLE, PROUD DEFENDERS  
TERRIBLE FIGHTS, PITILESS INVADERS

STANDING IN FEAR THE CONFRONTATION  
NEEDLESS TO BE UNDER DELUSION  
THEY'VE COME TO OVER RUN THE LAND  
WE'RE GONNA HOLD OUT TO THE END  
TRAPPED IN THIS CASTLE  
LIFE AND DEATH STRUGGLE

NO SURRENDER, THERE'LL BE NO PRISONER  
INVASION, DEVASTATION  
NO SURRENDER, FACING THE INVADER  
STARVATION, WAR OF ATTRITION

THEY'VE COME TO BUILT A NEW EMPIRE  
FLAMES AND SMOKE, THE PLACE IS ON FIRE  
THE BATTLE IS RAGING  
CONSTANT HARASSING

HOPELESS END, DESPERATE STRUGGLE  
THROES OF DEATH RATTLE FOR DAYS ON END  
COVETED LAND, NEVER ENDING BATTLE

NO SURRENDER ... *[see above]*
