Starts with a strange sensation

A cold suoration

You're feeling no good

I'm tont, I'm dizzy I'm dazed and confused

I think I have abused

Of the gulosema

And then you walk in the streets

Your legs are weak

The pressure is down

I'm thinking the demons are coming

They have no mercy

The evil of cÃ

Borbulhation in the stomach

Suoration in the test

Mama help me mama

Ai caramba

The bost thunder

[Chorus:]

Run

Run away to the toilet

Run away to home

Run away to the bathroom

The sign of the bost
