Feel the fire of barbecue
Burning in the hell
Everybody's gonna bring
A lot of beers and meat

Lots of hearts in the sword
Picanha is in the sal
Lots of lives in my stomach
The cow is gonna die!!!!

Barbecue of metal!!!

Maminha is gonna burn
(na grelha)
Fraldinha is gonna burn
(na grelha)
Javali is gonna burn
(na grelha)
In hell you gonna burn
(na grelha)
Oh oh oh oh oh!
(na grelha)
Oh oh oh oh oh!
(na grelha)
Oh oh oh oh oh!
(na grelha)
Oh oh oh oh oh!
(na grelha)

Barbecue of metal!!!
