We all are millionaires
We have big salaries
In restaurants we eat for free

We eat many pussys
We have many Jacuzzis
We are extraordinary

We passed Romãirio
Made more than 1000 gols
We are fuck we are rich
We are strong, we got big dicks
And we'll dominate all the world

[Chorus:]
Massacration

We are good in porration
We cause invejation
Everybody want to be us

We are poliglotation
We speak 8 linguations
We're friends of George Bush

We passed Romãirio
Made more than 1000 gols
We are fuck we are rich
We are strong, we got big dicks
And we'll dominate all the world

[Chorus:]
Lindo, tesãfo, bonito e gostosãfo!
Lindo, tesãfo, bonito e gostosãfo!
Lindo, tesãfo, bonito e gostosãfo!
Lindo, tesãfo, bonito e gostosãfo!
