Fear of the killing broca
The mad dentis is coming
He's got no diploma
The fire of metal
Is still burning

Mad dentist is diabolic
He wants the teeth
Of the world
He is an alcaholic
He wants to drink
Your blood

He is a lunatic
He is a maniac

The power of
The obiturator
You are going
To feel the hit

There is no anesthesia
You'll suffer like a pig

After all this pain
In hell toy gonna claim
Mad dentist is leiÃ©
You'll be like
TiÃ©o MacalÃ©

He is a lunatic
He is a maniac

Metal dental destruction
Gengivas gonna bleed
Metal dental destruction
Ooohhhh

Metal dental destruction
[4x]
