With foot ability.
Glu-Glu on the hands
Malandro is master
Malandro is king
The fuckest master
Want a revenge
To honor malandro
We gonna sing...

Stallando cobra.
Super Malandro and
Malandrovsky
The fire of metal
Is still burning.
Take care of your ring
With foot ability
Glu-Glu on the hands
Malandro is master
Malandro is king
The fuckest master
Want a revenge
To honor malandro
We gonna sing...

[Chorus:]
Happy birthday to you
This is the metal glu-glu
[4x]

Come on my love
Come on my chuchu
Come little near
I do glu-glu

Glu-glu for me
Glu-glu for you
Come on my love
I love you, yeah, yeah!

I want to love
I want to squeeze
I want to kiss

I want to put you
In my heart
Little cat, little emotion
Let's go!

[Chorus]
