Bloodless!
Bleeding through my eyes
Bloodless!
I'm bleeding inside

This is bloodless (growls)
Oh this is bloodless!

VERSE 1

This wound wont heal by themselves, I want your life
Her words has spoken, but all are lies
My world has taken it's chance, but it's too late
Now time has taken it's toll, and it's all for you

And it's all for you

Dead,
You said,
You leave,
You disagree (x2 growls)

Your words are silent
Said, you pretend, you want (x4)

Oh god save me
From this hatred

Your words are silent
Said, you pretend, you want (x4)

VERSE 2

The venom spreads like thunder
But no blood to be seen,
I made a mistake for holding on to you,
I've been searching,
I've been searching for the answer
They betray themselves

God save me
I'm bleeding

Dear god,

I'm standing here and waiting for you

Oh my god!

I'm standing here and waiting

Oh my god!

I'm standing here and bleeding for you

GUITAR SOLO

BREAKDOWN

God if you hear me

I need your strength

God save me

I'm bleeding
