Massacre Conspiracy - Running In Fear

1ST VERSE

How dare you take this path away from me
As I walk through this path, it's taking me
To an end (x2)

These words have said
Don't act like you don't care
Don't walk away from me
From everything, it's not the end (x2)

Run away from me! (x2)
I am the voices in your head
Haunting like thousands of living dead

CHORUS

Your memory
Will fade away
From inside of me

Your memory
Will fade away
From inside (inside of me)

2ND VERSE

These eyes have slept for too long
As I open my eyes
I see the skies
They cry (x2)

Tears of the sky
Is all cold blooded red
Even the sky
Spells your name in fuckin' red

These memories
Of you
Is just a waste

I hope you
Dug your own

Your fuckin' grave

-

This is the end
You should be dead (x2)

I am the voices in your head
Haunting like thousands of living dead

CHORUS
Your memory
Will fade away
From inside of me

Your memory
Will fade away
From inside (inside of me)

Run away from me
Run away from me NOW!
