eyes  
1, 2, 3, guys  
goin' all up in you baby right between your thighs  
so no goodbyes  
never needed your ass becuase baby girl the world is

(CHORUS)

you've been creepin' (oh you've been creepin') with the  
man around the corner  
and you speakin' (speakin') like brother i wanna disown

me depressed, cause your knees is spread and now  
plus  
wanna get out and leave this mess and i've dug into  
your soul so long that my sleeves is wet  
stop approaching me, you're no longer close to me,  
you're the epitome, of what a hoes suppose to be  
and this situation shit to yourself, sex is going to kill  
you, bitch stop kidding yourself  
sweet lipstickand trhis bitch expected me to believe

ma turned my life  
flippin it out yours you'll never ever be a crime  
wipe those tears dry  
pray for tomorrow cause everything's will be alright

(CHORUS)

what'd you think, i'm out here raising kids  
think about buying that amazing crib  
you're a crazy bitch that made me sick, and lately this  
shady shit made me piss me off  
with relationshipd you chasin chips sittin on like 80  
dicks and it's hard  
cause there they are arguin, you're a broad tryin to do  
what the stars doin  
and because of you the cause will win and peeps you're  
the reason that the owner of teh boss will win  
you're a beef whorer, heat scorer  
still creepin with the man around the corner god damn  
you deepin it  
sleepin with a new man, cheatin bitch, start eatin dick  
before your pretty face starts meetin fists sneaky, i'm  
gon think what you did was wrong, the trip was long,  
love doesn't affect when it hits the strong

time has gone by  
i'm thinkin you changed girl, i see you with another guy  
you act so shy  
i'm guessing the days girl of bringing you up in your  
life  
seen my drive by  
makin your heart race and now you're callin all the time  
saying, please i  
need you to hold me if only just for one more night
