Lately i thought about it
I love the thought of us together
You know i got it
Cant no one do you better
Baby i thought about it
Just kno that ill be there forever
You want it than mami let me know
Im feeling need of a partner

Make sure your not alone
Loose your mind loose control
Take it high bring it low
Let me see you wind on me slowly
Girls on the floor
Move fast move slow
I kno you want to know if imma be your Partner

[Chorus (x2)]

Jump up and find a partner cuz im gonna Find a partner
So you need to find a partner
And i hope you go

I need you dont you doubt it
I aint been the same after since i met you
Aint nothing wrong with that
By the way you movin girl i kno imma Get Cha So mami
let me know hows it Gonna go down
Cuz i want you and you want me to

Got me feeling like theres no one around

Make sure your not alone
Loose your mind loose control
Take it high bring it low
Let me see you wind on me slowly
Girls on the floor
Move fast move slow
I kno you want to know if imma be your Partner

[Chorus (x2)]

Jump up and find a partner cuz im gonna Find a partner
So you need to find a partner

And i hope you go

Shake Your Body Girl
Move Your Body Girl
Shake Your Body Girl

I want you girl you gotta know
Im makin sure your not alone
Just want your body girl move it slow

I gotta know i gotta know

[Chorus (x2)]

Jump up and find a partner cuz im gonna Find a partner
So you need to find a partner
And i hope you go
