I should of seen it coming
But I was blinded by your eyes
And the things that you use to say

(In your heart there was a place for me)
I'm trying to get over
But I can't shake the thought of you

Should of known and see the day
When we would say goodbye

Baby, girl don't cry
Wipe your tears away
You're always in my heart
It don't no matter how far
Wishing I could stay

Forever came too soon
Wishing I could spend
More time with you

We had dreams to be together
Can't get over you
Forever came too soon

And all the promises we made
To be together
Said we'd never throw it all away

I must be going crazy
Thinking I could ever let you go
After all that we've been through

It's breaking me to see your tear
I can't help but wonder
If all of this was a big mistake

Wish I never had to see the day
When we would say goodbye

Baby girl, don't cry
Wipe your tears away

You're always in my heart
It don't no matter how far
Wishing I could stay

Forever came too soon
Wishing I could spend
More time with you

We had dreams to be together
Can't get over you
Forever came too soon

And all the promises we made
To be together
Said we'd never throw it all away

There's no right or wrong reasons
Sometimes we go through change
And there's somethings left unanswered
That a heart just can't explain

Still I got this feeling taking over me
I just need to bring you closer
I don't wanna let you go

Forever came too soon
Wishing I could spend
More time with you

We had dreams to be together
Can't get over you
Forever came too soon

And all the promises we made
To be together
Said we'd never throw it all away
