i must be crazy, i feel like ive been here before  
and al the signs have started to show and no change in  
just how i feel about you now.

cant let it phase me when my heart is taking over my  
mind  
and now i know its just a matter of time until i find a  
way of letting you know i need you near

( chorus )

ya harami ya habibi inta dularimi ana roohi bin edik  
yama diya amari bi dunak ya hayati al bibe inta lek  
x2

its taking over me i feel like im loosing control,  
forgetting everything i know, and now the only thing  
that matters to me is him, closer and closer,  
cause i wana let you know that im dreaming about it, i  
would never wana let you go we though it was wrong i  
dont wanna be right, i cant hold back these feelings no  
more

( chorus )

ya harami ya habibi inta dularimi ana roohi bin edik  
yama diya amari bi dunak ya hayati al bibe inta lek

x2

you always stay on my mind, i cant stop thinking about  
you  
you always stay on my mind, i never wanna let you go

( chorus )

ya harami ya habibi inta dularimi ana roohi bin edik  
yama diya amari bi dunak ya hayati al bibe inta lek
