She can have any man she ever wanted  
She callin up my celli at 3 in the morning  
She wanna let me know, All that she wants is to be by  
my side  
I cant deny, The way that I feel when your body is close  
to me  
And I wont lie, Ill take the time make you mine if its up  
to me

But if I give her my lovin she wont let it go  
And I got the feeling that she's got something for me  
They be Tellin her what they want but she'll only give it  
up to me  
(CAUSE IM RUNNING THEM THINGS)  
I gave her what she wanted but she wont let it go  
Now I got the feelin that she wants something from me  
They be tellin her what they want but she'll only give up  
to me  
(Let me know)  
Shortei what you sayin let me know  
You be taking away all the pain let me know  
Now im thinking of makin it rain let me know  
Tell me what you looken for the fame or the money  
(Let me know)  
Shortei what you sayin let me know  
You be taking away all the pain let me know  
Now im thinking of makin it rain let me know  
Tell me what you looken for the fame or the money

She wake up in the morning just wanting to please me  
Her body's all up on it she beggin metease me

She whispers on the low, Baby its yours you could do  
what you want

I cant deny, The way that I feel when your body is close  
to me  
And I wont lie, Ill take the time make you mine if its up  
to me

But if I give her my lovin she wont let it go  
And I got the feeling that she's got something for me

They be Tellin her what they want but she'll only give it  
up to me

(CAUSE IM RUNNING THEM THINGS)

I gave her what she wanted but she wont let it go  
Now I got the feelin that she wants something from me  
They be tellin her what they want but she'll only give up  
to me

(Let me know)

Shortei what you sayin let me know

You be taking away all the pain let me know

Now im thinking of makin it rain let me know

Tell me what you looken for the fame or the money

(Let me know)

Shortei what you sayin let me know

You be taking away all the pain let me know

Now im thinking of makin it rain let me know

Tell me what you looken for the fame or the money
