(Massari 1)

on my life I've wait it for you ... and . i wish you are mine
and I'm calling for u

cause girl i dream every night of being with you ...

(what I'm gonna do)

but girl i see the look in your eyes ... i know that is true

...

baby this feeling is true.

(chorus)

I pray every night that I can hold u in my arms and say

...

i give you my life i give my all to feel your love for me ...

(bridge)

i wanna hear you say you love me (say you love me)

i wanna know do you feel it deep inside (do you feel it
deep inside)

i wanna hear you say you love me (say you love me girl
)

i wanna know do you dream of me at night cause you
know you got me

dreaming of you. of u of you . i wait it of u of u of u

(Massari 2)

I go out of my way... every day to make sure that you
think of me ...

and when I see a smile on your face . girl it feels like
haven i can reach far

the moon and the stars your love ... is the reason
that I'm breathing and it's really i feel it deep in my
heart

I'm lost without you(baby I'm lost without you)

(chorus)

I pray every night that I can hold u in my arms and say

...

i give you my life i give my all to feel your love for me ...

(bridge)

i wanna hear you say you love me (say you love me)

i wanna know do you feel it deep inside (baby I gotta
know)

i wanna hear you say you love me (say you love me girl
)

i wanna know do you dream of me at night cause you

know
you got me dreaming of you.
i wanna hear you say you love me (baby say you love
me ,
you've been thinking of me)
i wanna know do you feel it deep inside (baby I gotta
know)
i wanna hear you say you love me (say you love me girl
)
i wanna know do you dream of me at night cause you
know
you got me dreaming of you
