Gotta light the shisha, then we pass the Chardonnay,
Gotta light the shisha, then we pass the Chardonnay,
Poppin' bottles we ain't leaving till the morning,
Let me see you put your lighters in the air,
Shorty went up on my body like you want it,
She movin' fast, she want it slow,
She's tellin' me, that she's ready to go,
I'm spending cash, Geronimo, when Massari in the
party make the club go,

woah,
woah,
Drinks in the air like everybody feel like,

woah,
woah,
Everybody head to the skylight we run the nightlife,

woah,
woah,
Drummer beatin' hotter than the Congo,
She drop it down low,

woah,
woah,
Up on the same scene, watch me now,

Watching me, watching me like a movie in a club,
We run things know what big things we run,
Rock wit me, rock wit me, got you body burnin' up,
But she back on me, touching me, like you wanna give
it up
I wanna pull you up on your waist, you'll never wanna
leave
I got you right where you wanna be
And I know tonight I'm gonna make you fall in love with
me
Girl I'll be making your body scream

woah,
woah,

Drinks in the air like everybody feel like,

woah,

woah,

Everybody head to the skylight we run the nightlife,

woah,

woah,

Drummer beatin' hotter than the Congo,

She drop it down low,

woah,

woah,

Up on the same scene, watch me now,

Gotta light the shisha, man we do this every day,

We in Miami getting feeling till the morning,

Live the life like everyday is Saturday,

She get up on me and she can't even control it,

She movin' fast, she want it slow,

She's tellin' me, that she's ready to go,

I'm spending cash, Geronimo, when Massari in the party make the club go,

woah,

woah,

Drinks in the air like everybody feel like,

woah,

woah,

Everybody head to the skylight we run the nightlife,

woah,

woah,

Drummer beatin' hotter than the Congo,

She drop it down low,

woah,

woah,

Up on the same scene, watch me now,
