Verse 1

Baby everthing they telling you about me is right
I will come and steal your heart just like a thief in the
night
I'm the kind of guy that they would always worn you
about
But you know you need me girl

Pre Chorus

Every night you see me creepin in the dark,
You feel me coming from the shadows behind
Hold on,
Girl you know that im never ganna stop you got me
feeling like its thriller tonight Chorus

I came to steal the night away
Dance with me baby
I came to steal the night away
Dance with me girl

I came to steal the night away
Dance with me baby
I came to steal the night away
the night away for you and me

Verse 2

I'm getting close and I can feel your heart beat racing
away
Trying to find the words to tell me that you need me to
stay
Hear the voices in your head telling you run away
But you want my lips all on your body

Pre Chorus

Every night you see me creepin in the dark,
You feel me coming from the shadows behind
Hold on,
Girl you know that im never ganna stop you got me
feeling like its thriller tonight Chorus

I came to steal the night away

Dance with me baby
I came to steal the night away
Dance with me girl

I came to steal the night away
Dance with me baby
I came to steal the night away
the night away for you and me

Verse 3

I can't stop,
baby I need your body,
Cause you're the sweetest thing ive ever known
Cant get enough,
I feel your arms around me,
and you keep telling me to give you more

Pre Chorus

Every night you see me creepin in the dark,
You feel me coming from the shadows behind
Hold on,
Girl you know that im never gonna stop you got me
feeling like its thriller tonight

Chorus

I came to steal the night away
Dance with me baby
I came to steal the night away
Dance with me girl

I came to steal the night away
Dance with me baby
I came to steal the night away
the night away for you and me
