[Massari]

Who be the playa that be flowin so sweet, they don't
see the change of side
The type of killa that be rollin low key, wait and see
what we have plotted
They know we bakin when my niggaz gon squeel, now
they fear what we have started

[Belly]

Yeah..I got Massari wit me
Guess what
It's Belly boy in this mother fucker
And this right here, it's death before the sign up

[Massari]

I'm comin to kill em and I'm gonna be the one pullin the
trigger, never run, and them fakers better hide away
They thinkin bout it bout it, gotta get it done
They don't know what I become when my niggaz run
around wit me
Remember that time when i'm seen em in the club,
thinkin they bangin with thugs, now they wanna put
they guns away
And i'ma kill em, i'ma fill them with the slug
Comin and bringin the glock, and them haters gonna
die today

[Belly]

That's the mother fuckin heat
Massari comin wit it
Hey yo, I lick the first shit

So I might as well lick this shit too
Hey yo

[Massari]

I'll take these fakers thinkin they fuckin with murders,
we never even heard of ya, you weren't really runnin
with G's
We type of killas choppin n' burnin ya area, we thinkin
to burry ya, fakers that you wanted to be
????? see my death before sound of haters comin at

me, i'ma take em out before they wanna
they know we thuggin and everyday we be thinkin of
em
now my nigga ??????????????
?????? think I wanna play, they can run away but now
one day we gotta spray at ya
I'll be the fakers that make em wanna stay ?????? i ain't
playin wit ya

[Belly]
Peace, we ain't playin wit you mother fucker
gun shots That means I popped you, shot you,
dropped you
Massari in this mother fucker
Death before the sign up
