Say anything...
Into a promises...
Ravage...
Unfortunately...
For all...

ON THEIR EYES

KILL.THEIR.
SPREAD.THEIR.
KILL.THEIR.
FEED.THEIR

I am much sick of this...
Sweating blood...
Seen to much...
I revert to...
Get through...
Until.

LIKE A MAN(x2)

KILL.THEIR.
SPEAR.THEIR.
KILL.THEIR.
FEED.THEIR.

So far can...
All is a bad dreams...
over...

KILL.THEIR.
SPREAD.THEIR.
KILL.THEIR.
FEED.THEIR.
