It's like whatever path we choose in this life this  
generation has been set to extinguish itself

Don't tell me how to talk or way to live my life  
Fuck That Shit, Fuck That Shit  
Every time I'm right a little part of you die  
Fuck That Shit, Fuck That Shit  
Should I \*\*\* \*\* before I'm crossing line  
Fuck That Shit, Fuck That Shit  
It was made for those who can't think for themselves  
Fuck That Shit, Fuck That Shit

A little part of you DIE (16x)

You keep judging my \*\* \*\* what I fake  
Fuck That Shit, Fuck That Shit  
I'm just downing maggots in your wallowed life  
Fuck That Shit, Fuck That Shit  
You pretend to be god you fuck me in the ass  
Fuck That Shit, Fuck That Shit  
Consequence, I'll fucking shoot you in the head  
Fuck That Shit, Fuck That Shit

A little part of you DIE (16x)

Revolt  
It's revolution  
Bring out the guillotine

Revolt  
It's the part of solution  
Bring out the guillotine

Fuck That Shit, Fuck That Shit (4x)

A little part of you DIE (16x)

Fuck That Shit

Revolt  
It's revolution

Bring out the guillotine

Revolt

It's the part of solution

Bring out the guillotine

A little part of you DIE (8x)

Revolt

It's the part of solution

Bring out the guillotine

Revolt

Bring out the guillotine

Bring out the guillotine
