give head if you got it

(baseball, baseball, he thinks he's gonna score, if you
let him go all the way, then you are a whore 2x)

militant lover - don't you know you want it
give head if you got it

all teen school girls - you know that you want it
give head if you got it

all you dirty sluts - you know that you want it
give head if you got it

all you feminist cunts - you know that you want it
give head if you got it

(baseball, baseball, he thinks he's gonna score, if you
let him go all the way, then you are a whore 4x)

give head if you got it

militant lover - don't you know you want it
give head if you got it

all teen school girls - you know that you want it
give head if you got it

all you dirty sluts - you know that you want it
give head if you got it

all you feminist cunts - you know that you want it
give head if you got it
