### "Never Surrender"

Self medicating, craving punishment  
Blaming myself for a world on fire  
No more shame, no more pity  
No more  
They raise from the ashes!

I will suffer  
I will burn  
Let hate prevail  
Enslaved my soul  
But I'll never surrender

Silent words from a bleeding mouth  
Swallows pride with a swalling tongue  
Everything is nothing, life in a shallow grave  
Too ashamed to feel joy, life collecting dust  
No more shame, no more pity  
No more  
They raise from the ashes!

I will suffer  
I will burn  
Let hate prevail  
Enslaved my soul  
But I'll never surrender

I will suffer  
I will burn  
Let hate prevail  
Enslaved my soul  
But I'll never surrender  
Never surrender

Mental cancer hijacks your brain  
Denying the reality you created for yourself  
They raise from the ashes  
[They raise from the ashes!]

I will suffer  
I will burn  
Let hate prevail

Enslaved my soul  
But I'll never surrender  
Never surrender

I will suffer  
I will burn  
Let hate prevail  
Enslaved my soul  
But I'll never surrender  
Never surrender

Never surrender (8x)
