Aaaah...

Aaaah...

Aaaah...

Welcome to Utopia

Life here is perpetual bliss

No cares, only happiness

Love never dies

Please stay in Utopia

With me, a perpetual kiss

We'll share, in Utopia

Love never dies

Aaaah...

Ooooh...

Love me in Utopia

That's all I require to survive

No cares, only happiness

Love never dies

Please stay in Utopia

With me, a perpetual kiss

We'll share in Utopia

Love never dies...
