

Massemord "Breeding Hate"

Visit "[Breeding Hate](#)" on MotoLyrics.com

You created SATAN to blame him for your sins...
Fall to your knees, impotent mad redeemer!
I breed hate-- my soul is drenched with blood!
I breed hate and evil takes control!
No stifling dogma shall dim my thoughts!
No more falsehood shall be truth to me!
I spit in the eye of your weakling jehova!
I refuse to serve your putrid will
I refuse obedience to your lies
I refuse to be the slave of god
I refuse to serve the bastard son
I'm the plague-- I'll spread my seeds of hate!
You shall flee and never find your peace...
Slaves of christ, obey his fucking lies...
Slaves of christ, there's no paradise!
