Can you heal my wounds please
Can you make it rough
And cure the pain like cortizone
And grant me indemnity (you drowned me in
tennessee?)
How'll we split your chromosomes

Yeah more sweet narcosis
Yeah more sweet narcosis
(I'll turn a stone I'll find you)
Yeah more sweet narcosis
(I'll turn a stone I'll find you)

I turn a stone I'll find you there
Into afflicted light I stare
You blind me with flash bulbs
And puzzle me with syllables

Yeah more sweet narcosis
(I'll turn a stone I'll find you)
Yeah more sweet narcosis
(I'll turn a stone I'll find you)
Yeah more sweet narcosis
(I'll turn a stone I'll find you)

My heads between my knees again
Got needle set to zero
And you can shoot me hurricanes
Don't spare me the details

Yeah more sweet narcosis
(I'll turn a stone I'll find you)
Yeah more sweet narcosis
(I'll turn a stone I'll find you)
Yeah more sweet narcosis

More sweet
More sweet
I walk with ?
Force with me

You'll regret
More bloodstains
