Chorus:

Girl, you mean the world to me!
You hold me down while I'm out in these streets.
I hope you know that you're...
Yeah, that's why I love you so much!

Can I talk to you baby?

Listen! Hey, girl!
What you say, girl!
I can't get you off my mind!
While I'm out here doing my thing,
I need to take a little time,
Just to show you how you make me feel!
This feeling is so real and ain't no pressure, you
complete me!
How about I let my heart speak for me!

Chorus:

Girl, you mean the world to me!
You hold me down while I'm out in these streets.
I hope you know that you're...
Yeah, that's why I love you so much!

Listen, you are the reason,
My heart never skips a beat!
And I realize it's the reason
I found a girl that's meant for me!
A precious lover, your love is so priceless.
I'll stand on top of any mountain
Shout it out for the world to hear:

Chorus:

Girl, you mean the world to me!
You hold me down while I'm out on these streets.
I hope you know that you're...
Yeah, that's why I love you so much!

Say I may keep it all the way real,
With your every king need a real queen, nigger!
That can ride when the roads get rough,
Even take the wheel and drop for the...

See, I've been around the world and came back again,
But no matter what I say, I never...
That's the real jeez, get the bread and bring it back
home,
Kiss the wife and kids, and then he's back gone.
See, I'm a hustler, so I'm always on a mission,
And every day grind just to stay in this position.
... in the kitchen...
I know the inner states, all over the map.
But no matter how nice the weather and the...
... that I forget that I'm in my seat.
Everything I need and she's down like the...
That's why I made her a wife instead of a baby mother
I love her!

Chorus:

Girl, you mean the world to me!
You hold me down while I'm out on these streets.
I hope you know that you're...
Yeah, that's why I love you so much!
