(Verse)

Yeah, I'mma make you fly doll  
Shawty bad than a motha'  
Look like a magazine cover  
Wanna explore you down under  
Scuba dive under your covers  
You looking good with them jeans on  
Come taste this bottle get your lean on  
Sit on this tongue, get your cream on  
I bet this feel be a beat song

(Pre-Chorus)

Girl I'mma work your body  
You know I puts it down, fuck you in the worse way  
We can have a party, like it's your birthday  
Sipping on that Bacardi, or on the champagne, hey  
I can tell just by the look in your eyes  
You want me baby, you can get it if you want some  
Better be ready cause you're in for a ride  
Cause once I'm finish you gonna be screaming you  
want one

(Chorus)

I'm all about making you moan  
All through the night into the morn'  
Trying to act like this your last time  
Cause when you let me baby I'ma make you flatline  
I kill it, I kill it, I kill ,hey  
I kill it, I kill it, I kill ,hey  
I'mma make you flatline  
I'm killing pussy, I'm killing pussy, hey  
I'm killing pussy, I'm killing pussy, hey  
I'mma make you flatline  
Listen,

(Verse)

What's your favorite position  
Is it 69  
Escalate and watch me get you to the finish lines  
Take off your heels, loosen your bra  
Show me that you could ride it like an Yamaha

Sweating out your weed lookin' that ass  
I guarantee mommy I'mma make it last  
You know what it is, she down the ride  
Is she down on open, I'mma come inside

(Pre-Chorus)

Girl I'mma work your body  
You know I puts it down, fuck you in the worse way  
We can have a party, like it's your birthday  
Sipping on that Bacardi, or on the champagne, hey  
I can tell just by the look in your eyes  
You want me baby, you can get it if you want some  
Better be you ready cause you're in for a ride  
Cause once I'm finish you gonna be screaming you  
want one

(Chorus)

I'm all about making you moan  
All through the night into the morn'  
Trying to act like this your last time  
Cause when you let me baby I'ma make you flatline  
I kill it, I kill it, I kill ,hey  
I kill it, I kill it, I kill ,hey  
I'mma make you flatline  
I'm killing pussy, I'm killing pussy, hey  
I'm killing pussy, I'm killing pussy, hey  
I'mma make you flatline  
Listen,

(Verse : Wiz Khalifa)

Trippy nigga,real trippy nigga  
Poppin' bottles in the club  
Baby I'm a big tipper  
Quarter milly for the car  
That's the big dipper  
Spill the same lil nigga  
Set my change little bigger  
My money little longer  
So my planes a little bigger  
My ice's a little brighter  
So my game a little sicker  
Came in like the bad guy  
'Cause I'm the bad guy  
Me and my chick do the wrong way  
Because we that fly  
Them private jets on the wrong way  
I'm talking never fly  
She find you straight from the wrong way  
Margiela tag fly  
So when we walk in the club  
And they give us bad vibes

Just 'cause we killed them niggers  
Flatline

(Pre-Chorus)

I can tell just by the look in your eyes  
You want me baby, you can get it if you want some  
Better be ready cause you're in for a ride  
Cause once I'm finish you gonna be screaming you  
want one

(Chorus)

I'm all about making you moan  
All through the night into the morn'  
Trying to act like this your last time  
Cause when you let me baby I'mma make you flatline  
I kill it, I kill it, I kill,hey  
I kill it, I kill it, I kill,hey  
I'mma make you flatline  
I'm killing pussy, I'm killing pussy, hey  
I'm killing pussy, I'm killing pussy, hey  
I'mma make you flatline  
I'mma make you flatline  
I'mma make you flatline
