I know what y'all did
There ain't one to slow me
You know what I'm snick to Madigan
Playing with you
Maybach music
Let's go

Tony Montana
Tony Montana
E, e they say I'm Tony Montana
Tony Montana
Tony Montana
E, e they say I'm Tony Montana
Hop about to whip
Tony Montana
Damn I'm looking fresh
Tony Montana
Tony Montana
Tony Montana
E, e they say I'm Tony Montana

Wake up in the morning
On a bed full of Benjamin's
Fly in that Bentley coop
Fresh it in a leisure suit
Tear through any obstacles
Guns the size of foreign troops
Expect the unexpected
Pay your honors to the general
Focus on perfection
Ever will I change my visual?
Lion in the jungle
Catch you slipping
I will finish you
If you swag every day
Fist them
That's my tennis shoes
Got this chicken throwing fits
Selling pussy taking brandies
These niggers off proper
Going to sound with vodka

So much money we stacking
It's rolling out of our pockets
Watch me load up the chopper
Cock and aim at the launcher seat
I'll be sunning these niggers
I'm taking off like a rocket
Cause I'm

Tony Montana
Tony Montana
E, e they say I'm Tony Montana
Tony Montana
Tony Montana
E, e they say I'm Tony Montana
Hop about to whip
Tony Montana
Damn I'm looking fresh
Tony Montana
Tony Montana
Tony Montana
E, e they say I'm Tony Montana
